If a separate written agreement with regard to the SOFTWARE has been concluded with ABBYY, then, in the event of any discrepancy between that agreement and this EULA, the terms of the separate agreement shall prevail over any inconsistent term in this EULA. Any terms and conditions contained in Your purchase orders or other documents shall not modify this EULA or expand ABBYY’s obligations hereunder.

The EULA may be available in different languages. There may be inconsistencies or differences in interpretation between the English version of the EULA and those EULAs made available in other languages. For the sake of uniformity and to avoid any ambiguity, the English version of the EULA shall govern in all disputes, claims or proceedings to interpret, enforce or otherwise relating to the EULA.

- 1.1. Subject to the terms and conditions of this EULA, ABBYY grants to You a limited, non-exclusive License to install and use the functionality of the SOFTWARE subject to all restrictions (limitations) and the scope of the License as may be provided by this EULA, the software and/or hardware license keys provided by ABBYY, the SOFTWARE, and/or a separate written agreement between You and ABBYY or an ABBYY Partner, and/or the documentation accompanying the purchase. In this case, the separate written agreement between You and the ABBYY Partner may not exceed the scope of the license granted and restrictions specified in this EULA and/or in the separate agreement with ABBYY, and/or impose additional duties on ABBYY. The ABBYY Partner's documentation accompanying the purchase of the SOFTWARE may not contradict the terms of the EULA, the separate agreement with ABBYY and ABBYY's written documents concerning the terms of use and/or purchase of the SOFTWARE.

All of the provisions stated herein apply to both the SOFTWARE as a whole and to all of its separate components and end-user documentation with the exception of the third-party software included in the SOFTWARE, which is covered by its own license terms as specified in article 15. Any issue with respect to the scope of Your License shall be construed in favour of the restrictions on the scope of Your License. Restrictions on Your use of the SOFTWARE and the scope of Your License may include, but are not limited to, the following:

- 1.1.1. Number of Computers, individual users and network access. The scope of the License acquired by You may restrict the number of Computers on which You may install and use the SOFTWARE, the number of individual users of the SOFTWARE, and network access and depends on the type of License acquired by You. The type of the License acquired by You is specified in a separate agreement between You and ABBYY or an ABBYY Partner and/or in the documentation accompanying the purchase of the SOFTWARE. After the SOFTWARE is installed, You can see the type of Your License in the Help menu of the interface of the SOFTWARE.
 - 1.1.1.1. If the type of Your License is "Single user license" / "Standalone" and You are an entity, You may install and use the SOFTWARE on one Computer unless otherwise stipulated in the EULA, in a separate agreement with ABBYY or in any ABBYY's documentation accompanying the purchase of the SOFTWARE. If the type of Your License is "Single user license" / "Standalone" and You are a natural person, You may install and use the SOFTWARE on one desktop Computer and on one portable Computer (laptop or other portable device on which the SOFTWARE can be installed and used according to its system requirements) owned by You. You may not use the SOFTWARE on both Computers simultaneously. At any given time, You may either use the SOFTWARE directly on a Computer on which it is installed or access the SOFTWARE remotely via remote access from only one Computer.
 - 1.1.1.2. If the type of Your License is "Per Seat", You may install and use the SOFTWARE on as many Computers owned by You as the number of Licenses You acquired. At any given time, You may access one installed copy of the SOFTWARE from only one Computer unless otherwise specified in the EULA, in a separate agreement with ABBYY or in the ABBYY's documentation accompanying the purchase of the SOFTWARE.
 - 1.1.1.3. If the type of Your License is "Network License" / "Concurrent", You may install the SOFTWARE on any number of Computers owned by You and simultaneously use the SOFTWARE on as many Computers as the number of Licenses You acquired, unless otherwise specified in the EULA, in a separate agreement with ABBYY or in any ABBYY's documentation accompanying the purchase of the SOFTWARE.
 - 1.1.1.4. If the type of Your License is "Remote User", You may use the SOFTWARE via remote access or virtualization solution owned, rented or otherwise

lawfully acquired and/or used by You ("Solution"). You may install the SOFTWARE on any number of Computers that serve as servers/hosts for the Solution. The installed SOFTWARE may be used from client Computers through remote access to it by as many individuals - named users of the Solution - as the number of Licenses You acquired, and you must acquire a License for each user that may use the SOFTWARE, unless otherwise specified in the EULA, in a separate agreement with ABBYY or in any ABBYY's documentation accompanying the purchase of the SOFTWARE. At any given time, each individual can use the SOFTWARE remotely from only one Computer.

- 1.1.2. If Article 16.6 applies and You acquired ABBYY FineReader PDF 15 Standard, You may use the SOFTWARE only for non-commercial purposes on Your personal home Computer; You may not install the SOFTWARE on Computers owned by legal entities, state bodies or agencies and local self-government bodies; any commercial use of the SOFTWARE by the above mentioned entities, bodies and agencies is prohibited.
- 1.1.3. Processing volume. The number of volume units (e.g. pages, words, symbols) that may be processed with the SOFTWARE, if it is stipulated in the License, may be limited in one or more ways, such as limitations on the number of volume units that may be processed within particular time periods, such as monthly or annually, or on the overall number of volume units that may be processed. The size of a page or other volume unit and the number of processor(s) cores used for processing may also be limited.
- 1.1.4. Duration. Use of the SOFTWARE may be limited to a specific period of time, if it is stipulated in the License or in a separate agreement with ABBYY or an ABBYY Partner and/or in the documentation accompanying the purchase of the SOFTWARE. The SOFTWARE may not be used after the expiration of such time period.
 - 1.1.4.1. If You acquired the SOFTWARE on a subscription basis, then, in addition to the restrictions set forth in articles 1.1.1, 1.1.2, 1.1.3 and 1.1.4, the following restrictions apply. You may use the SOFTWARE for a limited subscription period. Your subscription period may renew automatically until You cancel Your subscription. After the expiration of Your subscription period, the functionality of the SOFTWARE will be no longer available or will be limited until You make a payment to renew Your subscription. Additional terms and conditions for use of the SOFTWARE on a subscription basis may be set forth in an additional agreement between You and ABBYY or ABBYY Partner, which you shall accept before obtaining (purchasing) the SOFTWARE on a subscription basis.
- 1.2. You acknowledge that the SOFTWARE is protected from unauthorized copying and unlimited use and may include a Serial Number providing for such protection and You accept the SOFTWARE subject to all such protections. Your Serial Number may require Activation and the number of Activations available to You may be limited. Additional Activations may be requested by contacting the ABBYY technical support service during the whole period of technical support duration for the version of the SOFTWARE, which you acquired (purchased), as set forth in article 7. Upon expiration of the technical support duration of the acquired (purchased) SOFTWARE version, additional activations may not be available.
- 1.3. All rights not expressly granted to You by the EULA are reserved by ABBYY. This EULA does not grant You any rights in connection with any trademarks of ABBYY.
- 1.4. If Article 16.6 applies and You are a natural person, You may use the SOFTWARE worldwide. If You are an entity, You can obtain (purchase) the SOFTWARE in the countries listed in the Article 16.6 only if You or Your branch and/or representative offices are registered in these countries, unless otherwise agreed in a separate written agreement between You and ABBYY. The employees of the entity or of its branch and representative offices may use the SOFTWARE

worldwide, provided the SOFTWARE has been obtained and installed in the country where the entity or its branch and representative offices are registered.

- 1.5. Any use of the SOFTWARE or its component parts outside of or in contravention of the terms and conditions of this EULA shall constitute a breach of ABBYY's and/or third parties' Intellectual Property Rights and shall give cause for the revocation of all rights to use the SOFTWARE granted to You under this EULA.
- 1.6. If You deploy and/or use the SOFTWARE in a virtual environment, including, without limitation, by means of VMware, Citrix, the access to or use of the SOFTWARE may in no way exceed the restrictions on the SOFTWARE or the scope of the License that has been granted. For instance, one and the same Serial Number may not be used to permit use or access to the SOFTWARE in a virtual environment by a number of Computers that is greater than the number of Computers for which a License has been properly obtained, nor may the SOFTWARE be used to process more than the total number of volume units allowed by Your License.
- 1.7. You may receive the SOFTWARE on more than one medium (multiple-media SOFTWARE), including downloads over the Internet. Regardless of the quantity or type of media You receive, You are only licensed to use the SOFTWARE in accordance with the scope of Your License.

2. Limitations of Use

- 2.1. All terms of use and limitations governing the use of the SOFTWARE are stated in this EULA, unless additional terms of use or limitations are stipulated in a separate written agreement between You and ABBYY or an ABBYY Partner or in other documentation accompanying the SOFTWARE, provided that the ABBYY Partner's agreement and documentation may not impose additional duties on ABBYY.

All such information shall be deemed to be confidential and proprietary information of ABBYY.

Such transfer may not be by way of consignment or any other indirect transfer. The transferee of such one-time transfer must agree to comply with the terms of this EULA, including the obligation to not further transfer this EULA and SOFTWARE. You must uninstall the SOFTWARE from Your Computer(s) or from Your local area network in the event of such SOFTWARE transfer.
- 2.8. If You are provided with a version of the SOFTWARE which doesn't require Activation of the Serial Number after installation of the SOFTWARE (excluding the SOFTWARE labelled as "Try&Buy", "Trial", or "Demo") and the type of Your License is other than those mentioned in articles 1.1.1.1. – 1.1.1.4.: (i) SOFTWARE will be accompanied by a certificate issued by ABBYY and specifying applicable License details; (ii) You shall keep the SOFTWARE in confidence and any transfer of the SOFTWARE by You is strictly prohibited (for the purpose of this article 2.8 only "transfer" shall include, but is not restricted to, the granting of access to third parties, the granting of access for private use by employees and the sale, hire, lease or loan of the SOFTWARE); (iii) You shall maintain accurate records of the number of Your user Computers where the SOFTWARE is used, shall report the number of Your user Computers to ABBYY or ABBYY Partner on a yearly basis and shall, along with Your yearly report, pay the applicable license fee (as may be stipulated in the documentation accompanying Your initial purchase of the SOFTWARE) for each user Computer, including those over the number pre-purchased with Your License; and (iv) upon reasonable prior written request, ABBYY may undertake a substantive audit procedure of Your records solely to verify the number of user Computers and the accuracy of license fees paid by You no more than once every twelve (12) months. If the post audit verified records reveal an omission greater than five (5) percent from the SOFTWARE license fees submitted by You and the license fees due, You will, in addition to paying the difference in license fees, also reimburse ABBYY's auditing expenses.

If the functionalities of the SOFTWARE vary substantially from the agreed upon functionalities, ABBYY is entitled (by way of re-performance and at its own discretion) to repair or replace the SOFTWARE. If this fails, You are entitled to a reduction of the purchase price (reduction) or to cancel the purchase agreement (rescission). 11.2.2. The limitation of liability set forth in article 11.2.1 shall not apply to any mandatory statutory liability, in particular, to liability under the German Product Liability Act, liability for assuming a specific guarantee or liability for culpably caused personal injuries.

11.2.3. You are required to take all reasonable measures to avoid and reduce damages, in particular to make backup copies of the SOFTWARE and Your Computer data subject to the provisions of this EULA.

To make a warranty claim, You must return, at Your expense, the SOFTWARE and proof of purchase to the location where You obtained it, or where return is not possible, make the SOFTWARE available for inspection by ABBYY or its representative. No claim will be valid under the warranty unless the SOFTWARE has been tested and deemed defective by ABBYY pursuant to the terms of the warranty. If the SOFTWARE is determined to be defective (in the discretion of ABBYY), ABBYY is entitled (at its own discretion) to repair or replace the SOFTWARE. For further warranty information, please contact ABBYY PTY Ltd.: Citigroup Building' Level 13, 2 Park Street, SYDNEY NSW 2000 Australia, tel.: +61 (02) 9004 7401; e-mail: help@abby.com.

15.7.5. SIL OPEN FONT LICENSE Version 1.1 - 26 February 2007

15.7.5.1. PREAMBLE

The goals of the Open Font License (OFL) are to stimulate worldwide development of collaborative font projects, to support the font creation efforts of academic and linguistic communities, and to provide a free and open framework in which fonts may be shared and improved in partnership with others.

The OFL allows the licensed fonts to be used, studied, modified and redistributed freely as long as they are not sold by themselves. The fonts, including any derivative works, can be bundled, embedded, redistributed and/or sold with any software provided that any reserved names are not used by derivative works. The fonts and derivatives, however, cannot be released under any other type of license. The requirement for fonts to remain under this license does not apply to any document created using the fonts or their derivatives.

15.7.5.2. DEFINITIONS

"Font Software" refers to the set of files released by the Copyright Holder(s) under this license and clearly marked as such. This may include source files, build scripts and documentation.

"Reserved Font Name" refers to any names specified as such after the copyright statement(s).

"Original Version" refers to the collection of Font Software components as distributed by the Copyright Holder(s).

"Modified Version" refers to any derivative made by adding to, deleting, or substituting -- in part or in whole -- any of the components of the Original Version, by changing formats or by porting the Font Software to a new environment.

"Author" refers to any designer, engineer, programmer, technical writer or other person who contributed to the Font Software.

15.7.5.3. PERMISSION & CONDITIONS

- 1) Neither the Font Software nor any of its individual components, in Original or Modified Versions, may be sold by itself.
- 2) Original or Modified Versions of the Font Software may be bundle, redistributed and/or sold with any software, provided that each copy contains the above copyright notice and this license. These can be included either as stand-alone text files, human-readable headers or in the appropriate machine-readable metadata fields within text or binary files as long as those fields can be easily viewed by the user.
- 3) No Modified Version of the Font Software may use the Reserved Font Name(s) unless explicit written permission is granted by the corresponding Copyright Holder. This restriction only applies to the primary font name as presented to the users.
- 4) The name(s) of the Copyright Holder(s) or the Author(s) of the Font Software shall not be used to promote, endorse or advertise any Modified Version, except to acknowledge the contribution(s) of the Copyright Holder(s) and the Author(s) or with their explicit written permission.
- 5) The Font Software, modified or unmodified, in part or in whole, must be distributed entirely under this license, and must not be distributed under any other license. The requirement for fonts to remain under this license does not apply to any document created using the Font Software.

15.7.5.4. TERMINATION

This license becomes null and void if any of the above conditions are not met.
